**RE: Establishing Just and Reasonable Rates for Local Exchange Carriers, WC
Docket No. 07-135, Developing a Unified Intercarrier Compensation Regime,
CC Docket No. 01-92**

Dear Ms. Dortch:

On Thursday, November 18, 2010, David Erickson, Joshua Lowenthal, and the undersigned of Free Conferencing Corporation, and Megan Delany of Delany Advisory Group, LLC, met separately with Margaret McCarthy, Wireline Policy Advisor to Commissioner Copps; Brad Gillen, Wireline Legal Advisor to Commissioner Baker; and Christine Kurth, Policy Director & Wireline Counsel to Commissioner McDowell; to discuss issues related to the above-referenced dockets. Mary Diamond Stirewalt of Mary Diamond Strategies, LLC also attended the meetings with Mr. Gillen and Ms. Kurth.

In the meeting we discussed the need to eliminate current abuses occurring within the existing intercarrier compensation regime while preserving the pro-consumer and pro-competitive benefits of services such as free conferencing services. We also discussed several proposed solutions to accomplish these goals. The discussion in the meetings was consistent with the attached presentation, which was distributed to meeting attendees.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ Jeff Holoubek
